---

## EXPERIENCE

### Tueller & Associates, P.C. – Associate

Aug. 2007 – Present, Telluride, CO

### Townsend and Townsend and Crew, LLP – Contract Attorney CO

March 2007 – June, 2007, Denver,

- Working on a complex patent litigation matter involving licensing rights to various semiconductor patents.
- Reviewing patent assertion presentations, internal engineering documents, and various other corporate documents to determine relevancy to the patents at issue and applicability of the attorney-client privilege.
- Overseeing and reviewing the work of other contract attorneys on the project to ensure accuracy and quality of work product.

### Hogan & Hartson, LLP – Contract Attorney

Jan. 2007 – March 2007, Denver, CO

- Worked on a corporate litigation matter initiated by the Securities & Exchange Commission and the Department of Justice alleging corporate fraud and securities violations.
- Reviewed corporate documents to evaluate responsiveness to subpoenas, to assess whether documents contained evidence of unlawful conduct, and to determine whether documents were protected by the attorney-client privilege.

### Sanderson Associates, P.C. – Law Clerk

Oct. 2004 – Nov. 2006, Boulder, CO

- Gained significant trial preparation and discovery experience serving as a law clerk for a small general litigation firm.
- Drafted briefs, pleadings, memoranda, jury instructions, discovery requests, discovery responses, and responded to client inquiries.
- Worked on large personal injury case through discovery and trial; drafted several motions and responses regarding the admissibility of medical evidence and expert testimony.

### Land Use Coalition – Consulting Law Clerk

Feb. 2006 – March 2006, Boulder, CO

- Researched and wrote memorandum regarding the legality of Boulder County's "single-deed merger" policy.
- Determined that Colorado case law supports Boulder County's policy of treating parcels of land conveyed by a single deed as merged so that only one legal building parcel exists.

### Natural Resources Litigation Clinic – Student Practitioner

Aug. 2005 – May 2006, Boulder, CO

- Performed research for National Wildlife Federation attorneys on current litigation involving issues such as oil and gas, adequacy of NEPA documents, and grazing on public lands.
- Duties included drafting memoranda and complaints, and orally presenting research findings to NWF lawyers and other students in the clinic.

### Western Resource Advocates – Extern

Jan. 2006 – May 2006, Boulder, CO

- Researched legal issues surrounding proposed oil and gas legislation in Colorado.
- Prepared memorandum discussing constitutional challenges to surface damages acts.

### Carrier Access Corporation – Legal Intern

July 2004 – Aug. 2004, Boulder, CO

- Aided in-house counsel at a public corporation in preparation for litigation by researching contract issues and analyzing inventory data to formulate spreadsheets using Microsoft Excel.
